

## N221

A Regency, Belgium black marble chimneypiece of restrained neoclassical form. The simple, reeded shelf sits above projecting end blocks carved with a stellar motif, and supported on either side by architectural half columns on the jambs. The opening and the outer edges are delicately reeded. One of a pair, the other in white statuary marble.

Dimensions

Height 51in (129.5cm) width 58in (147.3cm)

Internal height 41in (104.1cm) width 36½in (92.7cm)
