

Ryston

Strong, clean, crisp geometric lines together with deep mouldings give this early 19th century designed chimneypiece an almost abstract, minimalist look. The pilaster jambs are fluted with squared ends, the opening is framed with mouldings and the shelf breaks forward over the jambs.

Dimensions

Height 42 $\frac{7}{8}$ in (109cm) width 67 $\frac{3}{4}$ in (172cm)

Internal height 36 $\frac{1}{4}$ in (92cm) width 39 $\frac{3}{8}$ in (100cm)

Shelf depth 9in (23cm)

Finishes

Marble, Stone
