

19th Century Antique

A compact and very fine marble fireplace in the early 19th century French Empire style. The fireplace is elliptical in shape, including the side returns, jambs, frieze and shelf, this is most unusual. The frieze and pilasters are a rare and desirable fleur de pesco marble, the pilasters taper and are terminated with stiff acanthus leaf capitals. Side returns are curved and have raised and fielded panels.

Dimensions

Height 40in (102.1cm) width 44½in (113.3cm)

Internal height 33⅝in (85.4cm) width 28¾in (72.9cm)

Shelf depth 13¾in (35cm)
