

St. James

Simple sensuous lines and the rich colours of the Breche violette marble combine to make this a classic English chimneypiece. Based on an early 18th century design by James Gibbs (1682-1754), the bolection frame is surmounted by a frieze which terminates in S-scrolls echoing the ogee of the bolection mould, the whole capped with a moulded breakfront shelf.

Dimensions

Height 58³/₄in (149.1cm) width 58in (147.2cm)

Internal height 40in (101.6cm) width 40in (101.6cm)

Shelf depth 6⁷/₈in (17.3cm)

Finishes

Breche marble, stone
