

Burlington

The simplicity of this statuary marble chimneypiece is dramatically enriched by the moulded volutes that form the jamb capitals and support the shelf. This is also further enhanced by the compound moulded borders to the opening, and is then finished with plain block feet.

Dimensions

External height 55½in (140.4cm) width 69½in (175.6cm)

Internal height 40¾in (102.5cm) width 40¾in (102.5cm)

Depth 10½in (26.6cm)
