

Eden

A refined and elegant Irish Neoclassical style chimneypiece of understated quiet proportions inspired by architectural details championed by Robert Adam in England at that time. Delicately carved in low relief with bows and arrows, flaming torches and musical trumpets, whimsical references to Eros, the God of Love.

Dimensions

Height 58 $\frac{7}{8}$ in (137cm) width 74 $\frac{3}{4}$ in (189.7cm)
