

Byrant

The gracefully arched and glazed top of this lantern perches upon a band of brass hemispheres. Beneath, the four light holders are framed by extruded brass bands that lead to a simple base. This lantern fuses the ethos of the early industrial age with the architectural, tapering lines of an earlier period.

Dimensions

Height 22in (55.8cm)

Width at widest point 12in (30.5cm) at base 8³/₈in (21.2cm)
