

Slip Single Bullnose

A metal slip/surround to be used as an alternative to marble, slate, or stone. Made by hand, with an inner moulding detail derived from an 18th century register grate. The piece is shown here in our Pewter finish but is available in custom sizes and finishes including Polished Steel, Blackened, Polished Brass, Antique Brass, and Brown Bronze. Bespoke detailing is also available. Only available made to order to custom size.
