

Slip Double Bullnose

A metal slip/surround to be used as an alternative to marble, slate, or stone. Made by hand, with a double moulding detail derived from an 18th century register grate. The piece is shown here in our Brown Bronze finish with rubbed Brass mouldings but is available in custom sizes and finishes including Polished Brass, Antique Brass, Polished Steel, Blackened, and Pewter. Bespoke detailing is also available.

Dimensions

Only available made to order to custom size.
